

# Ask for Your Responding the Class Questionnaire in the 3st Quarter

The Nagasaki University conducts the Class Questionnaire in all classes including practical subjects.

This “Questionnaire” is intended to give you the opportunity of reviewing your learning in the class as well as to improve faculty’s lectures and university education. The aggregate results of each class and feedback from the faculty are available in the syllabus system after a certain period of time.

Please access the Questionnaire site of the NU-Web system, and answer the questions.

Your answers will NOT affect any grading. We kindly ask for your cooperation.

Please note that this email is sent to students who are eligible for the 3st quarter survey. In the unlikely event that this is not the case, please be patient.

Classes surveyed: All classes offered in the 3st quarter (including practical subjects)

Time for response: Nov 9, Thu to Dec 8, Wed

How to access: Log in from the NU-Web system, go to “Questionnaire” and then “Class Questionnaire”.
